

# Pinch (Crimp/Ear) Clamps

Backed by the NDS Value Promise with over 40 years in the industry!

## Ideal for Irrigation & Water Supply Systems

Widely used on both soft hose and rigid plastic piping systems

## Superior Strength & Longevity

100% stainless steel construction

## Fast, Secure Closure

Mechanical Interlock keeps clamp securely closed and reduces corrosion

Clamp Ear ensures fast, simple and permanent closure

PINCH CLAMP  
100 PACK BAG

331R  
PINCH CLAMPS

# Superior Engineering

## Applications:

- Primarily use to tighten around both pliable (soft) hose and rigid plastic piping
- Excellent for irrigation and water supply systems

## Material & Mechanical Specifications:

### Stainless Steel

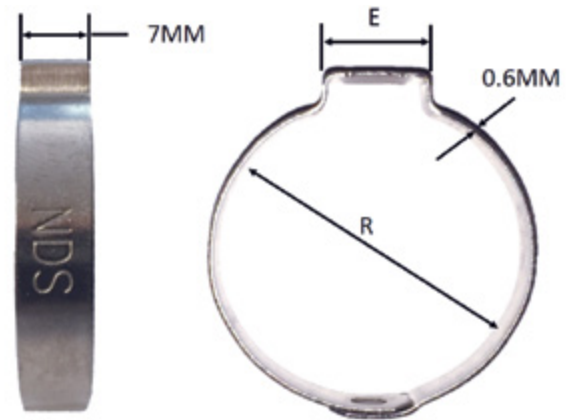

- Corrosion resistance greater than/equal to 1000h
- 0.024" (0.6MM) Thick Stainless Band

### Clamp Ear is fast and simple with visible deformation to confirm closure

### Dimple increases clamp force

- 6MM Ear width: 1200 N Max Force
- 9 & 10MM Ear Width: 2000 N Max Force

### Mechanical interlock

## Technical Specification

NDS Part #	Reference #	Ear Width (mm) "E"	Open/Close Range (mm) "R"	Open/Close Range (inches) "R"	Carton Quantity	Inner Pack Quantity
