

**NDS Announces Price Increase Effective April 25, 2022
To Our Valued Customers,**

Thank you for being a loyal and valued NDS customer. Effective April 25th, 2022, NDS will be implementing a price increase on certain categories listed below. Unprecedented increases in raw material and transportation costs continue to impact our business and require us to take action.

As always, our goal is to be your trusted and knowledgeable partner. We at NDS appreciate your support and understanding during these unpredictable times.

The product categories impacted by the price increase and their approximate increase amounts are identified below. Increases for specific products within these categories may vary, so please review individual SKU pricing for specific increase percentages.

Category Code	Description	Increase

****An example of how we calculate list price increases: For a 5% increase, use old list ÷ 0.95.***

New list prices will be posted to our website in Excel format by March 15th, 2022, in addition to your new post invoice costs being available on our ndspro.net website. ***To purchase products at current prices, all orders must be placed for prompt shipment before April 22, 2022 at 11:00am Pacific Time. Due to the nature of the ongoing cost increases, we reserve the right to limit purchases for the period from February 25th to April 25th based on product availability.***

If you have any questions, please contact customerservice@ndspro.com or your NDS sales representative.

Thank you for your continued business and support. We look forward to continuing as a growth partner in your success!
