

FILCOTEN pro-G NW300 (12") Width 13.66" (347mm), length 19.70" (500mm)

Load class E 600 kN

Ductile iron longitudinal grating

Product Features:

- Certified to EN 1433 Load Class E 600 kN 134,800 lbs.
- Uses fiX self-locking system and additional four point bolting.
- Suitable to use with NW300 channels.
- Manufactured from ductile iron

Installation:

The trench drain system and grates shall be installed in accordance with the manufacturer's installation instructions and recommendations.

Gratings FILCOTEN® pro - G 300 (12") with fiX self-locking system and additional 4-point bolting.
